Firm celebrates 20th Anniversary and Success of Bloom360 Nonprofit
Vista360, LLC Promotes Lela Harris to Partner

(April 27, 2022) East Troy, WI – Vista360, a management consulting firm celebrating 20 years in business in 2022, today announced that senior consultant, Lela Harris, has been promoted to Partner. Vista360 serves a nationwide client base of investment advisers and mutual funds with customized, practical regulatory compliance and business consulting advice. The firm’s philanthropic endeavors include helping to found Bloom360 Learning Community, a nonprofit school for neurodiverse Learners.

Lela Harris joined Vista360 in 2016 and has 14 years of investment industry experience. She is instrumental in advising clients in regulatory compliance and complex organizational initiatives including process improvement, product launches/redesigns, team development and culture enhancements. She also helped the firm open Bloom360 Learning Community in 2017 and serves on the Board of Directors, as well as volunteers her time to teach art and mindfulness.

“Lela’s significant contributions to Vista360 and Bloom360 are admirable and inspiring and I’m proud to welcome her into our partnership,” shared Laura Rauman, Founder of both Vista360 and Bloom360. “Her commitment to helping people and organizations be their best is rooted in her signature strengths of love of learning, perspective, creativity and curiosity.”

“I am very honored to join the Partners of Vista360 who consistently display the highest of personal and professional standards and a team that faithfully takes action to help make the world a better place,” shared Harris. “Together, we serve as trusted resources for an amazing group of clients and our collective effort to launch and help with Bloom360 Learning Community is among the most rewarding endeavors of my life.”

The unique relationship between Vista360 and Bloom360, now in its fifth year of serving children and young adults, shows what is possible when an educational environment is built from the ground up to meet the Learner’s unique needs. The Vista360 team led the initial research and development effort which harnessed worldwide best practices for special education and child development. Now, the Vista360 team members serve as trusted mentors for the Bloom360 Learners as well as volunteer their time and donate a percentage of their profits to support the school.

With Vista360’s stewardship, Bloom360 has earned recognition statewide from the “Force for Positive Change” competition managed by The Wisconsin Alumni Research Foundation and Marquette University as well as with other grants and major news coverage. Internationally known child psychologist, Dr. Mona Delahooke, wrote that Bloom360 is: *Leading innovation by shifting the paradigm to approaches... that should become a new standard in education across the world.*”
